COMPANY PROFILE

2024

1. COMPANY OVERVIEW

As part of our growing company, In 2018, iSteel has widen it's scope by engaging into General Construction. We are PCAB licensed Category AAA to engage in other contracting businesses. As General Contractor, we are involved in various forms of Construction such as Design and Build which includes Site Development, Civil Works, Architectural and Structural Works, Electrical, Mechanical, Plumbing Works and other services. iSteel can offer workable arrangements to meet the special needs of its clients.

OUR MISSION

Our Mission is to operate a profitable and sustainable construction company with fortitude and integrity. We will accomplish this by delivering high-quality, on-schedule, and cost-effective projects to our clients. We find strength in our positive approach and are passionate about those we work for.

OUR VISION

Our vision is to be a highly competitive company and at the forefront of the construction industry without detrimental to health, safety, and the environment and serve others by creating jobs and building a better tomorrow.
